Summary

Full Stack Web Developer utilizing the MERN(Mongo.db, Express.js, React.js, Node.js) stack. Adept at working with teams, with project manager experience. Solid problem solver with the ability to get "unstuck". Brings enthusiasm and fresh ideas to every project. Committed worker accustomed to heavy workloads and pushing quality product.

Technical Skills

Visual Studio Code, HTML5, CSS3, JavaScript, JSON, JQuery, node.js, MySQL, Git, GitHub, React.js, Bootstrap, MongoDB, Express.js, Handlebars.js, Firebase, REST API, MVC, Sequelize.js

Applications Built

National Park Finder App - Project Manager
> Repo: https://github.com/hoayun/National-Park-App
> Deployed at: https://hoayun.github.io/National-Park-App/

This application finds and displays information for National parks and monuments based on the user's query
- Utilizes three different APIs to render information for the user (Google Places, Weatherbit, National Park Services)
- Uses two front end component libraries to display info (Bootstrap, Materialize)
- Provides live weather of area of each park and or monument displayed

Restaurant Manager App - Project Lead
> Repo: https://github.com/hoayun/Restaurant-Manager
> Deployed at: https://young-ridge-16457.herokuapp.com/

-This application keeps track of tables in use by the restaurant and those that are available for patrons.
- Node Express and handlebars extensions used for server navigation and dynamic HTML development
- Uses a Real Time Database to store and keep track of the condition of tables

Work Experience

Food and Beverage Server, IHOP, Orlando, FL - April 2018 - Present
- Had to listen attentively, understand customer concerns, and relay them to the cooks or management effectively.
- Handled day to day activities to make sure the dining room was ready on time or early.
- Utilized the ability to problem-solve on the spot when it came to unsatisfied customers
- Brought a high level of energy to work everyday to endure the longer hours and workload

Online Wholesale Associate, Orlando, FL June 2011 - October 2012
- Responsible for posting listings of wholesale items on ebay
- Keeping clean records of shipping and tracking information
- Providing quick answers and help to customers in need

Education

Coding Bootcamp Certificate, University of Central Florida Orlando, FL
Valencia College, Orlando Florida
